1. INTRODUCTION

As Santhigiri College of Computer Sciences, Vazhithala stands on the threshold of another milestone year, we are filled with a deep sense of pride and gratitude as we reflect on our illustrious journey spanning more than two decades in the noble pursuit of education. Since our inception in 2002, we have remained steadfast in our commitment to nurturing young minds, fostering academic excellence, and instilling values that shape not just students, but future leaders and global citizens. As we mark 23 years of glorious service in the field of education, this annual report of 2024-2025 serves as a testament to our unwavering dedication, remarkable achievements, and enduring impact on the lives of countless individuals. It is a celebration of our collective efforts, shared triumphs, and unwavering resolve to continue striving for excellence in the years to come.

2. ADMINISTRATION

At the heart of every thriving educational institution lies a dedicated and visionary administration body, whose tireless efforts and strategic leadership shape the course of its journey towards excellence. Santhigiri College is no exception, as we are privileged to be guided by a dynamic and committed team of administrators who embody the values of integrity, innovation, and inclusivity.

Manager	Rev Fr. Paul Parakkattel CMI
Principal	Rev. Fr. Jose John CMI
Vice Principal & Bursar	Rev. Fr. Shinto Kannukettyil CMI
IQAC Coordinator	Dr. Neetha Thomas
FYUGP Nodal Officer	Mr. Gibin George
Staff Secretary	Mr. Shibu Abraham
Council Secretary	Ms. Deepa M
PTA Secretary	Mr. Mejo John Johnson
PTA Vice President	Mr. Pradeep T.G.

Heads of the Departments

Mr. Gibin George	Computer Science
Mr. Mejo John Johnson	Commerce
Mr. Alwin Jose Alex	Social Work
Mr. Prasanth M	Animation & Graphic Design
Ms. Divya Jose	Management Studies
Ms. Aswathy Murali	Psychology

3. IQAC

Rev.Dr.Jose John CMI	Principal
Faculty Members	
Mr.Gibin George	Assistant Professor, Dept. of Computer science
Mr.Alwin Jose Alex	Assistant Professor, Dept., of Social Work
Dr.Stalin J	Associate Professor, Dept. of Commerce
Ms.Remya R	Assistant Professor, Dept. of Computer science
Ms.Sigma Sathyan	Assistant Professor, Dept. of Computer science
Mr. Sharafudeen P J	Assistant Professor, Dept. of Commerce
Ms.Manju PK	Assistant Professor, Dept. of Commerce
Dr.Bincy Baby	Associate Professor, Dept. of Commerce
Management Representative	
Rev.Fr.Paul Parakattel CMI	Manager
Senior Administrative Officer	
Somin Joseph	Manager Accounts

Nominee from Local Society/Trust	
Rev.Fr.Shinto Kannukettiyil CMI	Bursar
Nominee from Students	
Mr.Anandhapadmanabhan	III year BSc. Psychology
Nominee from Alumni	
Mr. Sinse Jose	MD, Computer valley IT solutions.
Nominee from Employers	
Pradeep V	Progressive Cybernetics Pvt Ltd, Director - Technical
Nominee from Industrialists	
Mr.John Kuriakose	Chairman and MD, Dent Care.
Nominee from Stakeholders	
Mr.Pradeep T.G	Insurance Management
IQAC Coordinator	
Dr.Neetha Thomas	Assistant Professor, Dept. of Computer science

4. MILESTONES ACCOMPLISHED IN 2024-2025

1. Santhigiri College received an A grade from Haritha Kerala Mission for its exceptional contributions to environmental sustainability.

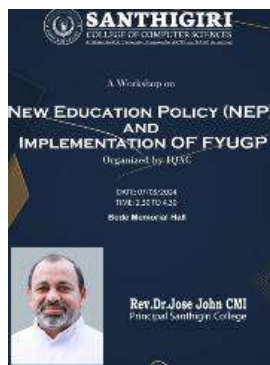

2. JTSi Technologies, an American Based MNC, is set to open a Centre of Excellence at the college campus in April 2024. They held a successful placement drive, offering attractive salary packages to 10 students from Santhigiri, strengthening its partnership with the college.

3. The annual fest **Zenith-2K24** was successfully conducted at Santhigiri College, bringing together students from various schools and colleges. The event served as a vibrant platform for showcasing talents, fostering creativity, and promoting inter-institutional interaction and collaboration.

4. Workshops on the National Education Policy (NEP) and the Four-Year Undergraduate Programme (FYUGP) were organized exclusively for faculty members. The sessions aimed to familiarize them with the policy framework, curriculum changes, and effective implementation strategies.

5. An awareness session on the MGU-UGP (Honours) program was organized for first-year students to familiarize them with the new curriculum structure and academic framework. The session helped students understand the credit system, course components, and opportunities offered under the honours program.

6. The Graduation Ceremony for the UG 2021–2024 and PG 2022–2024 batches was held with great pride and celebration. The event marked a significant milestone, honoring the academic achievements of graduating students and inspiring them to embark on new professional and personal journeys.

7. Post Graduate Convocation ceremony for PG students of 2022-24 batch celebrated at the marine auditorium of Santhigiri college at 10:30 AM on 17th October 2024 ,chief guest was justice Jacob Benjamin Koshy

8. A special motivational and interactive session with renowned magician and motivational speaker Gopinath Muthukad was hosted. The session inspired students with messages on confidence, perseverance, and the power of positive thinking.

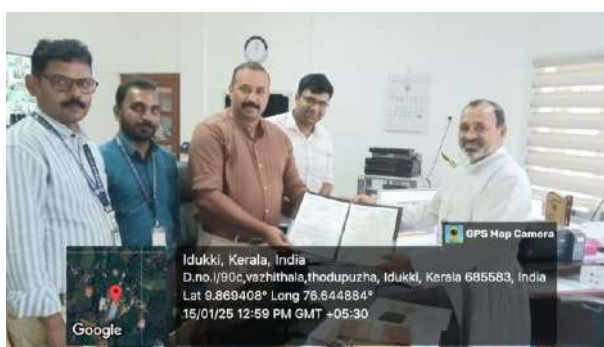

9. Santhigiri College signed a Memorandum of Understanding (MoU) with Christ College, Pune, to promote academic collaboration and knowledge exchange. The partnership aims to facilitate joint initiatives, research activities, and faculty–student development programs.

10. An MoU was signed between Santhigiri College and Rajagiri College of Social Sciences, Kalamassery, to foster academic collaboration. The agreement aims to promote joint research, training programs, and exchange of academic resources for mutual growth and development.

11. MOU between Computer Park Company and Santhigiri College Regarding Tally Prime .A collaborative meeting was held between representatives of Computer Park Company and Santhigiri College of computer sciences to discuss the integration and usage of Tally Prime in the college's academic and administrative operations on 15th January 2025.

12. A Memorandum of Understanding (MOU) was signed between Santhigiri College and the International Skill Development Corporation (ISDC) on On March 3, 2025 to enhance educational opportunities and professional training.

13. The MSW 2022–2024 batch achieved remarkable academic success, reflecting the department’s commitment to excellence. Notably, Ann Maria Sunny secured the 8th rank in the university, bringing pride and recognition to the institution.

14. Santhigiri College flagship program organized by department of social work gained nationwide attention and emerged as a highlighted event in the specially-abled sector. The initiative showcased the institution’s commitment to inclusivity, empowerment, and social responsibility.

5. ACADEMICS

Santhigiri College, one of the prestigious institutions under Mahatma Gandhi University, has long been a leader in academic and co-curricular excellence. The college offers 7 Undergraduate programs, 3 postgraduate programs and 1 integrated programme across arts, science, commerce, and professional courses, ensuring a comprehensive and diverse educational experience for its students.

The backbone of any educational institution lies in its human capital, and Santhigiri College is no exception. With a commitment to nurturing a culture of learning, innovation, and community engagement, the college boasts a robust and diverse staff body that forms the cornerstone of its success.

- The college is supported by a team of **47** teachers who bring invaluable knowledge and experience to the classrooms.
- The efficient functioning of the college is further supported by a dedicated team of **41** non-teaching staff members.

ACADEMIC STRENGTH 2024-2025	
Number of UG Programmes	07
Number of PG Programmes	03
Number of Integrated Programmes	01
Total Number of UG Students	759
Total Number of PG Students	150
Total Number of Students - IMCA	19
Total Students on Campus	928
Total Number of Teaching Faculty	47
Total Number of Non- Teaching Faculty	41

6. ADMISSIONS 2024 - 2025

PROGRAMME	TOTAL SEATS	ADMITTED
B A (Hons.) Animation & Graphic Design	60	15
B B A (Hons.)	60	34
B C A (Hons.)	100	91
B Com (Hons.) Cooperation & Accounting	60	0
B Com (Hons.) Finance and Tax & Accounting	60	35
B Sc (Hons.) Psychology	30	10
B S W (Hons.)	50	29

Total	593	286

7. FOUR YEAR UNDER GRADUATE PROGRAMME (FYUGP)

Santhigiri College has successfully implemented the FYUGP program, with thorough training sessions provided to both faculty and students by Mr. James V. George and Fr. Sabu Thomas from SH College, Thevera. The college has diligently followed all regulations set by MG University for the smooth functioning of FYUGP. The first semester exams were conducted efficiently, and the results were published on time. Santhigiri College was one of the few institutions to complete all FYUGP exam procedures promptly.

8. EXAMINATION

Santhigiri College has a well-functioning exam cell that plays a crucial role in coordinating all aspects of the examination process, including internal assessments and university examinations. The exam cell ensures that all procedures are carried out in strict compliance with the norms and regulations set by the university. This rigorous system has been instrumental in the successful implementation of the FYUGP program, ensuring the smooth execution of on-campus evaluations. The meticulous planning and strict adherence to these guidelines have enabled the college to conduct assessments seamlessly, ensuring that the FYUGP program is implemented effectively.

9. RESULTS 2023-2024

YEAR	PROGRAMME NAME	STUDENTS APPEARED	STUDENTS PASSED
2024	BA Animation and graphic Design Model III	37	24
2024	B. Com Model II Computer Application	29	18
2024	B. Com Model II Finance and Taxation	45	33
2024	Bachelor of Business Administration	37	25
2024	Bachelor of Computer Applications	123	114

2024	Master of Computer Applications	33	33
2024	Master of Commerce Finance and Taxation	8	3
2024	Master of Social Work	26	25
2024	B. Sc Psychology	12	10

10. ADD-ON PROGRAMMES

In 2024-2025 academic year Santhigiri College offers 14 varieties of 30-hour courses across six departments. The Psychology Department provides courses like Research Methodology, Criminal Psychology, and Stress Management. The Animation and Graphic Design Department offers Film Making. The Computer Science Department offers courses such as Interactive Web Design, Logic Designer, JavaScript Web Design, Campus to Corporate, and Intuitive Web Design. The Social Work Department provides PRA and Project Proposal and Arts Forms for Social Action. The Commerce Department offers Professional Data Analyst in Excel, and Microsoft Office Expert and Smart Excel for B.Com and BBA students.

COURSE TITLE	OFFERED DEPARTMENT
Research Methodology	Psychology
Film Making	Animation and Graphic Design
Criminal Psychology	Psychology
Stress Management	Psychology
Interactive Web Design	Computer Science

Logic Designer	Computer Science
Illuminating The Web With JavaScript	Computer Science
Campus To Corporate	Computer Science
Intuitive Web Design	Computer Science
PRA And Project Proposal	Social Work
Arts Forms For Social Action	Social Work
Professional Data Analyst In Excel	M.Com
Microsoft Office Expert	Commerce (B.com F&T)
Smart Excel	Commerce (B.com CA),BBA

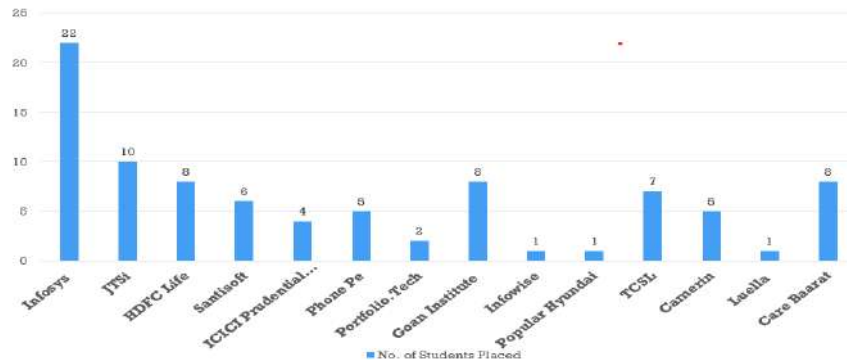

11. PLACEMENT AND CAREER GUIDANCE

We have vibrant career guidance and placement cell through which regular orientation programmes and placement initiatives take place. During the 2024-25 academic year, the Placement and Training Cell at Santhigiri College organized multiple placement drives and training programs to prepare students for successful careers. Specialized syllabi were introduced for BBA, BCA, and B. Com students, and final-year students received focused training on resume building, interview techniques, and mock interviews. Above, 80 students secured placements in top companies such as Infosys, JTSi, Goan Institute, PhonePe, Santisoft, Portfoliic.Tech,INFOWISE,Luella,Camerin innovate,HDFC life, ICICI Prudential Life, Camerin Innovate ,Popular Hyundai ,Care Bharat .Campus placement

drives were held with leading companies like MRF, EY, and Amazon. Results are still awaited from companies such as Deloitte, Wipro, and ZOHO.

PLACEMENTS 2024 - '25

12. FACULTY PUBLICATIONS

Fr. Dr. Jose John published one research article titled, “Algal Flora of Malakkappara Sholayar Stream, Trichur District, on the Western Ghats of Kerala” in *International Journal on Algae*, 2024, 26(2): 153–162 (Scopus Indexed Q1).

Dr. Neetha Thomas has published and presented two works on deep learning and machine learning methodologies:

1. **A Deep Learning Methodology CNN-ADAM for the Prediction of PCOS from Text Report** (March 2024) – Published in IEEE Journal (SCOPUS indexed).
2. **Machine Learning-Based Classification of Autism Spectrum Disorder across Age Groups** (March 2024) – Published in Engineering Proceedings in May 2024, (SCOPUS indexed).

Dr. Bincy Baby has published 4 book chapters and 2 journal publications through her extensive research and scholarly work. Her key works include:

1. **The Perception of Students on the Role of Education in Economic Growth and Development** (July 2024)
2. **Awareness Level of Youth towards International Migration** (April 2024)

3. **Perception of Students on MOOCs and Financial Crisis Faced by KSRTC**
(February 2024)
4. **Study on Customer Satisfaction Towards Purchasing and Availing Services from Large-Scale Retail Stores** (February 2025) (UGC Care)
5. **A Study on the Role of Incubators and Accelerators in Startup Development**
(January 2025)
6. **Role of Artificial Intelligence in Education** (January 2024)

Ms. Siji Antony has published a paper titled *Usability and Customer Preference Analysis of Traditional Milk Societies versus Packaged Milk in Rural Areas* in the *Journal of Interdisciplinary Cycle Research (UGC Care)*. The study examines the usability and customer preferences between traditional milk societies and packaged milk in rural areas.

Ms. Treesa Thomas has published a papers on the impact of AI on education and recruitment processes.

1. **The Role of Artificial Intelligence in Formal and Informal Education for Students** (March 2024)

2. **The Role of Artificial Intelligence in Recruitment** (May 2024). These works explore the impact of AI on education and recruitment processes.

13. ACADEMIC DIVISIONS

a. DEPARTMENT OF ANIMATION & GRAPHIC DESIGN

The activities and programs conducted by the Department of Animation and Graphic Design in 2024-2025, including workshops, industry visits, and celebrations to enhance students' skills and creativity. The Department organized a Calligraphy Workshop by renowned artist **Mr. Narayana Bhattathiri**, an Art Exhibition showcasing diverse student works, and training programs on **Acting for Animation, Game Technology, and VFX Production**. Students **Abinav Sunil, Karthik H, and Pranav E.P.** also brought laurels by securing **second place** in the Football Three's Match at Newman College, Thodupuzha.

Industry Visit

On 31st August 2024, 33 students and 2 faculty members from the Department of Animation and Graphic Design visited XR Horizon Private Limited in Kochi. The session included an introduction to AR/VR projects, a VR studio demonstration, and hands-on experience with green screen technology. The visit enhanced students' understanding of real-world applications in animation and graphic design.

Observation Visit

On 27th September 2024, second-year students from the Department of Animation and Graphic Design visited Hill Palace, Thripunithura, to study architectural and landscape perspectives. The students created numerous sketches and drawings inspired by the surroundings. This visit improved their observational and artistic skills, encouraging creativity and a deeper understanding of perspective in design.

b. DEPARTMENT OF COMMERCE

The Department signed **MOUs** with **Computer Park Company** (January 15, 2025) to support academic and administrative operations, and with **ISDC** (March 3, 2025) to provide professional certifications in accounting and finance. An **extension activity** was held at *Sneha Veedu Orphanage* (January 16, 2025) to promote social awareness and empathy among students. In

achievements, **Kuriakose Rinu**, a third-year B.Com student, secured **first prize** in the *Treasure Hunt* event at Nirmala College, Muvattupuzha.

National Hindi Divas

On 6th September 2024, the Department of Commerce organized an Essay Writing Competition at Fr. Bede Memorial Seminar Hall, aimed at promoting the use and appreciation of Hindi as a language of national pride and cultural heritage.

Financial Wellness Session

The session took place on **10th September 2024**, at the **Fr. BEDE MEMORIAL SEMINAR HALL**, with an online option via **Zoom Meet**. A total of **51 B.Com students** participated, along with **2 faculty members**. The session was led by **Mr. C K Arivazhan**, who elaborated on financial literacy and the dynamics of the stock market.

Skill Training Session

On 16th October 2024, the Department of Commerce organized a skill training session on Tally Prime for all undergraduate and postgraduate commerce students. The objective of the program was to equip participants with essential skills for using Tally Prime, a popular accounting software, and to offer valuable insights into an internship program that would provide them with practical industry experience. The session was led by Mr. Since Jose, the Managing Director and Corporate Trainer at Computer Park Training Institute and Computer Valley IT Solutions.

UG study tour report

The B.Com Study Tour for third-year students, guided by faculty members Sharafudeen P. J., Manju P. K., and Shreya Krishna, was held from 11th December 2024 to 14th December 2024. The tour took the group of 50 enthusiastic students on an enriching journey to the beautiful locations of Bloor, Coorg, and Chickmagalur. These destinations provided both a relaxing and educational experience, combining scenic beauty with hands-on learning opportunities.

PG study tour

The PG Study Tour for first and second-year M.Com students took place from 23rd February to 25th February 2025, under the guidance of faculty members Dr. Stalin J. and Saraswathy A. The destination for the tour was Kodaikanal, with a visit to the scenic Parunthupara, a renowned spot known for its panoramic views. A group of 10 students participated in the tour, which provided an excellent opportunity for them to engage with both academic and real-world applications of their studies

Industrial Visit

On February 24, 2025, a group of 35 students, accompanied by faculty members Mr. Mejo John Johnson and Dr. Shibi A. V., embarked on an industrial visit to a renowned coir factory located in Alappuzha, Kerala. The visit began at 06:00 AM and concluded at 10:00 PM, providing a full day of exposure to the practical workings of the coir industry. The visit offered students an invaluable opportunity to bridge the gap between theoretical knowledge and real-world industry applications

c. DEPARTMENT OF COMPUTER SCIENCE

The Department conducted training sessions on **Career Canvas**, **LBS Entrance**, and **Yoga**, enhancing students' personal and professional skills. **MCA students** participated in the **Life Lab Outbound Training Program** in February 2025. Additionally, five **workshops** were organized on *Incubation Opportunities*, *Photoshop*, *IT Careers in AI*, *Communicative English*, and a *Computer Hardware Exhibition – “Build and Boot”*, alongside regular **TICSAS activities**.

Career Canvas EST Training

The Career Canvas program was conducted on 19th August 2024 as an online session at Bede Memorial Hall for final-year BCA and MCA students. The session was led by Sebastian Cyriac, Technical and Instructional Support Coordinator at South East College, Weyburn, Covering resume building, interview techniques, and industry expectations.

LBS Entrance Training

TICSAS organized a one-day online training program on 6th July 2024 for MCA aspirants preparing for the LBS MCA Entrance Examination. A total of 35 students from various districts participated, benefiting from the free training. The program was structured into three sessions: exclusive MCA entrance training, sample question analysis, and mock tests.

The Life Lab Outbound Training Programme

Outbound Training Programme was conducted on 15th and 16th February 2025 at Carmelagiri CMI Public School, Munnar, for S2 MCA and S2 IMCA students. The program included team-building activities, skill development workshops, and outdoor adventures, enhancing students' communication, teamwork, problem-solving, and leadership skills. Visits to various tourist spots in Munnar provided hands-on learning experiences.

Yoga

Yoga Session was conducted on 5th June 2024 at Chavara Indoor Stadium for S1 BCA and S1 IMCA students. The session focused on stress management, physical fitness, and mental well-being, introducing students to practical yoga techniques. The event received positive feedback, highlighting students' interest in integrating yoga into their routines.

Quiz craze

The IT quiz competition, **QUIZ CRAZE** was conducted on **30th August 2024** from **3:30 PM to 4:20 PM**, targeting **S1 BCA A, S1 BCA B, and S1 IMCA students**. The event aimed to provide foundational knowledge of computer science and assess students' grasp of key concepts. **Six teams**, each with **two students**, participated in a two-round competition, with the first round featuring objective-type questions and selected teams advancing to the second round.

Pencil Drawing Competition

The Pencil Drawing Competition was held on 9th August 2024 at Marian Auditorium from 2:20 PM to 4:20 PM, targeting S1 BCA and S1 IMCA students. Organized by TICSAS, the event aimed to encourage artistic expression while raising awareness about the environmental impact of natural disasters. Centered around the theme “Wayanad Landslide,” the competition provided students with a platform to showcase their creativity and perspectives on critical issues.

Industrial Visit 2024

The Industrial Visit 2024 was conducted for S1 BCA (A), S1 BCA (B), and S1 IMCA students on 6th August 2024 at Progressive Systems, Muvattupuzha, and for S3 MCA students on 30th August 2024 at UST Campus, Trivandrum. The visits aimed to provide students with practical exposure to IT infrastructure, software development processes, and industry operations.

d. DEPARTMENT OF MANAGEMENT STUDIES

Students **Alan Manoj, Pranav Parthas, Alok Varghese, and Albin Benny Paul** won **first prize** in the *Treasure Hunt* competition at Mar Elias College, Kottapady, during the management fest held on **January 8, 2025**. The Department also organized several **skill development workshops**, including a **Mind Power Training** session led by **Mr. Prayag G.**, aimed at enhancing students’ focus, motivation, and personal growth.

Industrial Visit Report

On 13th December 2014, students of Santhigiri College of Computer Science visited the Kannan Devan Tea Factory in Munnar. The visit aimed to provide practical exposure to the tea manufacturing process and industrial practices. Students gained valuable insights into the history, cultivation, and processing of tea. This visit complemented their academic knowledge, offering a real-world perspective on the tea industry.

Traning session

On 22nd January 2025, Santhigiri College of Computer Science hosted a motivational session in the seminar hall, led by Mr. Prayag G. Coordinated by Ms. Divya Jose, HOD of the Department of Management, the session blended industrial insights with engaging activities. Mr. Prayag G, a Mind Power Trainer and Business Mindset Coach with 14 years of experience, inspired students to challenge their limits and focus on the power of mindset for success.

Tour Report: Three-Day Visit to Mysore and Ooty

The three-day tour to Mysore and Ooty, organized from 5th to 7th February 2025, allowed students to explore the cultural heritage and scenic beauty of these destinations. Departing from Santhigiri College on 5th February at 6:30 p.m. This experience provided valuable insights into history, culture, and nature.

e. DEPARTMENT OF PSYCHOLOGY

A week-long program held from MANAVYOOHA 3,0October 7 to 10, 2024, marked the World Mental Health Day celebrations, featuring various awareness and engagement activities. As part of its extension activities, students visited Ammakuyil Charitable Trust and Mariyasadanam Rehabilitation Centre, Pala, fostering social responsibility and

Tribal Visit

The department organized a tribal visit to Panthapra Tribal Settlement in Urulanthanni, Idukki, Kerala, offering students valuable insights into the unique culture and challenges of the Panthapra tribal community. This experience emphasized the importance of education, infrastructure development, and economic empowerment for their overall advancement.

Training Session

The Department of Psychology organized a Library Orientation Program on July 10, 2024, guided by Dr. Mathews Stephen, Librarian at Santhigiri College of Computer Sciences. The session introduced first-year students to the library's resources, supporting their research and academic development.

Furthering student engagement, a Fresher's Day was organized on July 26, 2024, to provide a welcoming atmosphere for newcomers, fostering camaraderie, creative expression, and confidence-building.

Observance of Suicide Prevention Day

On September 11, 2024, the department observed Suicide Prevention Day with an impactful awareness program, featuring a street play and flash mob performed by 20 students. The event concluded with the screening of the short film *MUNAMBU*, highlighting the importance of social support and mental health awareness.

f. DEPARTMENT OF SOCIAL WORK

The department actively engaged with over **500 community members** through various outreach and educational programs and collaborated with **more than 30 local organizations** to implement projects addressing social and economic challenges. Outreach activities were conducted across **15 community locations**, strengthening the department's commitment to social development. Under the banner of **Oppam**, students expressed solidarity with the *Wayanad flood victims*, while the department's flagship event, **Chirak**, gained **national recognition**, drawing over **400 participants** and emerging as a notable event in the differently abled sector.

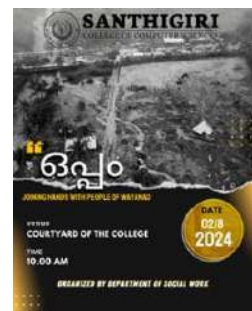

Jail visit

The students visited the Kottayam District Jail to gain a deeper understanding of the correctional setting. The purpose of the visit was to observe and assimilate knowledge about the functioning of the prison system, its rehabilitation processes, and the challenges faced in the correctional environment.

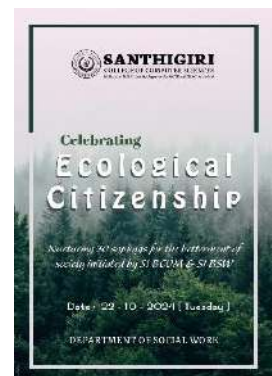

Oppam

The students organized a candle procession and joining hands in support with the affected peoples of Wayanad landslide on 02/08/2024. The whole students of the college participated in the program conducted at courtyard and principal Rev.Dr.Jose John CMI lead the event.

Ecological Citizenship

nurturing through nature, the programme emphasises the importance of being a ecological citizen. The "Ecological Citizenship" program is an initiative organized for students to promote ecological awareness and responsibility. Through this program, students actively participate in tree planting activities, contributing to environmental conservation and addressing ecological concerns. This hands-on approach fosters a sense of responsibility towards sustainable environmental practices.

Organizational visits

The department organizes four organizational visits during the academic year, which explores more than 20 renowned institutions inside kerala, have their scope of areas in different settings. Some of the institutions visited in Kozhikode,Wayanad,Trivandrum are:

Institute of Mental Health and Neurosciences (IMHANS), Kozhikode ,National Institute of Speech and hearing (NISH), Trivandrum ,Regional Cancer Centre, Trivandrum ,Nila Foundation , Trivandrum ,HOPE Cancer Care Centre, Kozhikode ,Santhi De-Addiction Centre, Kozhikode ,Ammathottil, Trivandrum , Trivandrum Social Service Society, Trivandrum ,Wayanad Social Service Society, Wayanad ,Tribal Unit for Development Initiative (TUDI), Wayanad ,Radio Mattoli, Wayanad ,Gender Park, Kozhikode ,Anweshi, Kozhikode

14. LIBRARY ACCOMPLISHMENTS

During the academic year **2024–2025**, the college library continued to enrich its collection and digital resources to support academic and research needs. Subscriptions to a variety of national and international journals were renewed, including those under *The IUP Journal* series, *Kurukshetra*, *Yojana*, and the *International Journal of Social Science Review*. Several new books were added to the collection, expanding the resources available for students and faculty. Access to major online databases such as *DELNET* and *N-LIST* was also maintained, and the cloud-hosted Library Management System (*Koha*) was renewed to ensure smooth and efficient library operations. Along with academic materials, the library continued regular subscriptions to leading newspapers and popular magazines to promote general awareness and reading habits among students. Newspapers such as *The Hindu*, *Indian Express*, *Business Line*, *Malayala Manorama*, *Mathrubhumi*, and *Deepika* were provided daily, while a wide range of magazines covering topics like current affairs, technology, health, and lifestyle were also made available. Through these initiatives, the library ensured continued access to up-to-date information resources and fostered a culture of learning and intellectual engagement within the campus.

15. SEMINAR AND WORKSHOPS ORGANIZED

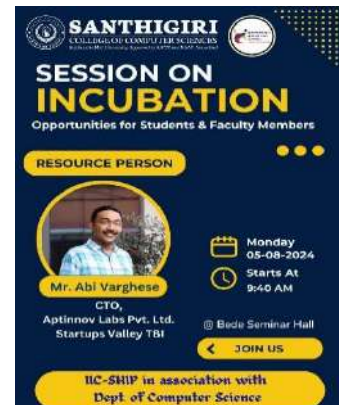

Computer Hardware Exhibition – "Build and Boot"

The Computer Hardware Exhibition – "Build and Boot" was held on 2nd September 2024, from 10:00 AM to 4:15 PM, Organized by 1st Semester Integrated MCA. The exhibition provided hands-on learning about computer hardware components, installation, and maintenance, while also introducing students to the latest advancements in hardware technology.

Incubation Opportunities for Students & Faculty Member

The "Incubation Opportunities for Students & Faculty Members" program was conducted on 5th August 2024 from 9:30 AM to 12:30 PM, organized by IIC, SHIP, and the Department of Computer Sciences. Targeting IIC student members and faculty, the event aimed to foster innovation and entrepreneurship by providing mentorship, resources, and support to help transform ideas into viable startups.

Photoshop and Photography Workshop

The Photoshop and Photography Workshop was conducted on 12th and 13th December 2024 from 9:30 AM to 4:30 PM at the Computer Lab and Indoor Stadium, organized by TICSAS for S3 BCA students. The workshop aimed to enhance photography and Photoshop skills, providing a comprehensive understanding of DSLR photography techniques and Photoshop tools, features, and editing tricks.

IT Careers in the AI Era

The session "IT Careers in the AI Era" was held on 6th September 2024 at Bede Memorial Seminar Hall for S1 BCA (A & B) batch students. Organized by Santhisoft Technologies and the Department of Computer Science, the session featured Dr. Mendus Jacob, MD & CEO of IPSR Solutions Ltd, and Mr. Faizal B, Senior Research Engineer, IPSR Solutions Ltd. The session helped students understand industry trends, guiding them to make informed career decisions and plan for future success.

Communicative English Workshop

The Communicative English Workshop was conducted on 8th July 2024 at Chavara Indoor Stadium for S1 BCA and S1 IMCA students. Organized by the Department of Computer Science, the session was led by Ms. Merin Seban. The workshop covered effective communication, vocabulary building, pronunciation, and accent improvement through role-playing, group discussions, and interactive exercises.

Session on Prototype Validation-Converting Innovation into a Start-up (25/07/2024)

On 25th July 2024, the Institution's Innovation Council (IIC), in collaboration with the IQAC and the Department of Commerce, organized a one-day session titled "Prototype Validation - Converting Innovation into a Start-up" at Santhigiri College of Computer Sciences. The session, held from 11:00 AM to 1:00 PM, The expert speaker for the session was Mr. Jinesh Mathew, Assistant Manager and Project Lead at Kerala Start-up Mission, Kochi.

Motivational session by successful innovator

On 21st October 2024, the Department of Commerce organized a motivational session for the Final M.com, Second Year, and Final Year B.Com Computer Application and Taxation students, aiming to inspire entrepreneurial spirit and innovation among them.. Mr. John Kuriakose, the Managing Director of Dent Care Dental Labs Pvt. Ltd., Muvattupuzha served as the resource person, sharing valuable insights from his experience as a successful innovator.

Orientation class on hedge equities

The program for autism inmates at Kind and Care Buds Rehabilitation Center in Ramapuram aimed to enhance their quality of life through live music and cultural events. Inaugurated by Mrs. Lisamma Mathachan, President of Ramapuram Panchayat, the event provided a stimulating and enjoyable experience for the inmates.

Field Survey for Farmers

The program for farmers in Muthalakkudam introduced the Kathir app and conducted a field survey as part of the Krishi Samrithi project. Inaugurated by Agricultural Field Officer Mrs. Salma M.H., the program was held at Prathiksha Karshakabavan, Muthalakkudam, Thodupuzha.

Disaster management

The training program aimed to raise awareness on "Disaster Management and Prevention" for government officials of Block Panchayat, Idukki District. It was conducted in association with Social Work Trainees, SCOP, Santhigiri College, and the KILA Team.

Aardram 'A Gentle Touch'

The program at Lourdes Matha Cancer Care, Trivandrum, aimed to improve empathy and raise awareness about cancer care services. Inaugurated by Rev. Fr. Mathew, the event involved social work trainees serving food to the inmates and bystanders, followed by a cultural program.

On August 13, 2024, second-year students visited Ammakuyil Charitable Trust, gaining valuable insights into geriatric issues and the importance of compassionate care for the elderly. The experience reinforced their commitment to social service and deepened their understanding of the challenges faced by seniors.

Third-year students conducted an observational visit to Mariyasadanam Rehabilitation Centre, Pala, offering them invaluable exposure to mental health rehabilitation practices and patient interactions

19. CELLS AND FORA

Santhigiri College actively promotes holistic student development through various cells and fora. The **Sports teams** achieved significant milestones, with the basketball boys and Kabadi girls reaching the interzone. A new girls' badminton team has been formed, comprising enthusiastic players ready for upcoming competitions. The Annual Sports Meet “Strive 2k25” encouraged healthy competition.

The **Nature Club** organized a **Nature Camp** at Vellapara, Idukki Wildlife Sanctuary to promote environmental awareness. The **Anti-Ragging Cell** ensured a safe campus environment through awareness programs, while the **Counselling Cell** hosted a Zumba workshop for mental and physical well-being. The **Alumni Cell** facilitated career-focused interactions with former students. The **Anti-Narcotic Cell** organized awareness campaigns on the harmful effects of narcotics, and the **Health Club** offered free dental care sessions. **Yoga Cell** celebrated Yoga Day, emphasizing physical and mental well-being. The **Jesus Youth** organized various spiritual and community events, including Holy Mass, fellowship gatherings, and the Christmas celebration KLEOS 2K24. Notable activities included food

distribution to tribal families, faith-strengthening sessions, and festive competitions, fostering faith, leadership, and unity.

The **Arts Cell** hosted “RHYTHM 2025,” showcasing students’ artistic talents. The **Santhigiri Hub for Innovation and Promotion (SHIP)** provided incubation opportunities and innovation workshops through **IIC**. The **Women Empowerment Cell** focused on combating violence against women and promoting gender equality.

20. INFRASTRUCTURE IMPROVEMENTS

During the 2024–2025 academic year, Santhigiri College undertook focused infrastructure improvements to enhance the academic environment and overall campus experience. The college ensured the systematic maintenance and upgradation of the entire campus infrastructure, including classrooms, laboratories, seminar halls, and common facilities, thereby improving functionality, safety, and usability. Emphasis was placed on technology-enabled learning spaces that support interactive and student-centred teaching–learning practices. In line with its commitment to inclusivity and student welfare, women sanitary pad vending machines were installed at strategic locations on the campus. The institution also introduced a refreshed and renewed campus appearance through aesthetic enhancements such as painting, landscaping, and improved signage. Additionally, small yet meaningful improvements were carried out in every nook and corner of the college, with the objective of promoting effective learning, social awareness, accessibility, and a positive campus culture.

21. IQAC QUALITY ASSURANCE INITIATIVES

Implementation of IRINS Platform

The IQAC implemented the **IRINS platform** at Santhigiri College to improve research visibility and organize faculty research profiles. This initiative aims to strengthen the research culture, encourage collaboration, and support data-driven quality enhancement.

Data Submission to NIRF and NAAC-AQAR

The IQAC facilitated the **first-time submission of institutional data to NIRF**, marking an important step toward national benchmarking and self-assessment. Alongside this, the **NAAC-AQAR** was also prepared and submitted on time, ensuring proper documentation of academic and administrative activities.

Publication of Biannual Newsletter – *Santhi Smruti*

The IQAC published the biannual newsletter *Santhi Smruti*, highlighting academic progress, achievements, and institutional events. It serves as a platform to showcase faculty and student accomplishments and promote a culture of continuous quality improvement.

Collection of Stakeholder Feedback

The IQAC collected feedback from **students, teachers, alumni, and employers** on 17th May 2025 to assess curriculum delivery, infrastructure, and governance. The feedback provided valuable insights for planning and improving institutional performance.

Annual Academic Audit (2024–2025)

I. Internal Academic Audit

The **Internal Academic Audit** was conducted from **April 23, 2025**, to review academic and administrative activities across departments. It focused on quality enhancement and alignment with institutional and NAAC standards.

II. External Academic Audit

The **External Academic Audit** held on **2nd May 2025** assessed administrative efficiency and departmental functioning. Constructive suggestions were provided to strengthen governance and sustain institutional quality.

22. CONCLUSION

The academic year 2024–2025 was a phase of steady academic progress and institutional strengthening for Santhigiri College of Computer Sciences. The college enhanced its teaching–learning processes through effective academic planning, outcome-based practices, continuous evaluation, and the integration of ICT-enabled methodologies, supported by faculty participation in professional development and research activities.

Students demonstrated commendable achievements in academics, cultural and sports activities, and extension programmes. University ranks, inter-collegiate recognitions, skill-development initiatives, placement training, and industry interactions contributed significantly to students’ holistic development and career readiness.

The institution actively promoted social responsibility and inclusive growth through NSS activities, outreach programmes, environmental initiatives, and awareness campaigns. Cultural celebrations, College Day, arts and sports events enriched campus life, while IQAC initiatives, internal academic audits, and infrastructure enhancements ensured continuous quality improvement.

Santhigiri College remains committed to academic excellence grounded in integrity and ethical values. The strategic roadmap includes expanding research opportunities, strengthening digital learning infrastructure, fostering global collaborations, and developing student-centric facilities. The institution acknowledges with gratitude the unwavering support of the Management, faculty, staff, students, alumni, and stakeholders in its continued pursuit of excellence.
